

Dear parent/carer

Following on from the letter sent out yesterday and our request for parents/carers to inform us as to whether or not they meet criteria for their child being in school from Monday 23<sup>rd</sup> March we attach the link to the latest Government advice for parents relating to school closures. In section 4.1 you can access the revised list of critical workers. If you have not responded to inform us of the required information or if this revised list alters your decision please inform us via the e-mail address sent out yesterday [COVID-19@allsaintslearning.co.uk](mailto:COVID-19@allsaintslearning.co.uk)

Can I reiterate the Government advice that, in the interests of everyone's health and safety, **wherever possible students should remain at home in order to adhere to social distancing and minimise the risk of them and others contracting the virus.**

I would also like to take this opportunity, once again, to thank our whole school community for their support and understanding during such difficult times and reassure all of you that whether your child is in school or not we will continue to communicate with them and provide as much of a routine as possible for all families centred around learning and, crucially, wellbeing.

God Bless
