

12 June 2020

Headteacher: Mr S P Pender

Dear Parent/Carer

### **Important update about the Geography trip to the Bay of Naples**

As you are aware from my last letter, the current coronavirus situation has presented some uncertainty as to whether we will be able to go ahead with the trip as planned in October.

With this in mind, I have spoken to the tour company who are able to offer the trip at the same price of £682 (under 16's) and £695 (16 and overs) between **April 13 – 17 2021**. This would leave you with £297 (under 16's) and £310 (16 and overs) left to pay.

If you wanted to withdraw from the trip, this would result in a loss of the money that you have already paid so far of £385.00.

If you wish for your child to still take part in the trip for the new dates proposed in April you will have until **January 15 2021** to pay the remaining balance outlined above.

If you could please send an email to [J.Thomas@allsaintslearning.co.uk](mailto:J.Thomas@allsaintslearning.co.uk) outlining the option that you wish to choose from the list below:

- Keep my child on the trip for new proposed date April 13 – 17 2021
- Withdraw my child from the trip

If you go for the first option you will be able to pay using ParentPay, our secure online payment system. Please visit [www.parentpay.com](http://www.parentpay.com) and enter your login details.

Alternatively, you can pay in cash at a local store using PayPoint, the store will scan a barcoded letter and your payment will be credited to your child's account. Please note if you require a barcoded letter please contact Mrs Degge in school.

Yours sincerely

J Thomas (Ms)  
Teacher of geography
