Each department will continue to use Show My Homework to set home learning, this will include some formal assessments and staff will be in the process of providing feedback.

Get out, get active - a city-wide race around the world

On behalf of the school, the PE wanted to thank everyone who managed to get up, get out and get active. Nearly two hundred people from our school community took part in this citywide event, many sharing images of their achievements. It was a phenomenal effort, which ended up with us finishing third in the city, only just pipped by Westfield who finished second. Altogether our community covered 1768 Km. Below are a few more amazing figures:

Sheffield schools combined total: 12500km (more than the distance from Sheffield to Victoria, Zimbabwe)
All Saints community:

- 116 pupil entries, the greatest distance covered by a student was 40.59km
- 36 parent entries, the greatest distance covered by a parent/ carer was 39.45Km.
- 38 staff member entries, greatest distance covered by a member of staff was 39.21km

Sea Farers Sunday 12th July

The Apostleship of the sea provides practical and pastoral care to all seafarers, regardless of nationality, belief or race.

Ninety per cent of world trade is transported by ship. However, the life of a modern seafarer can be dangerous and lonely. They may spend up to a year at a time away from home, separated from their families and loved ones often working in harsh conditions.

A Prayer for Seafarers

Heavenly Father, we pray for all who sacrifice their home and family life, to work as seafarers. We think of the many months at sea, enduring the hardships and dangers of heavy seas, storms and strong winds far away from home. Look with favour on all seafarers who miss their families and loved ones, comfort those who feel isolated or lonely, scared or insecure. Bring them safely home to shore, and at the end of their contract, return them into the loving arms of their families and friends.

We ask this in the name of Our Lord Jesus Christ.

Amen.
