

## Student Newsletter 10 July 2020

Live lessons have been a great way to support student learning and many of you are attending these everyday. If you are not able to be in a lesson because you don't have access to the internet at that time or some other reason don't worry lessons are recorded and can be accessed from Office 365 teachers will upload your lesson into Stream.

It is easy to find the recorded lessons:

In Office 365 you go to -

- Stream (you might need to click more apps)
- Discover
- Videos

All the videos for your class will be there. If there is a subject missing you might need your teacher to adjust the permissions of who can see the lesson, just email them to check.

## **Sea Farers Sunday 12<sup>th</sup> July**

The Apostleship of the sea provides practical and pastoral care to all seafarers, regardless of nationality, belief or race. Ninety per cent of world trade is transported by ship. However, the life of a modern seafarer can be dangerous and lonely. They may spend up to a year at a time away from home, separated from their families and loved ones often working in harsh conditions.

### **A Prayer for Seafarers**

Heavenly Father, we pray for all who sacrifice their home and family life, to work as seafarers. We think of the many months at sea, enduring the hardships and dangers of heavy seas, storms and strong winds far away from home. Look with favour on all seafarers who miss their families and loved ones, comfort those who feel isolated or lonely, scared or insecure. Bring them safely home to shore, and at the end of their contract, return them into the loving arms of their families and friends.

We ask this in the name of Our Lord Jesus Christ. **Amen.**
