

## **Update on face coverings in schools 27 August 2020**

All Saints will be following the guidance below from the Sheffield Director of Public Health from 2 September 2020:

*Whilst Sheffield is not identified as an area of high virus transmission and is not identified as an area of Government intervention at this time the Sheffield Director of Public Health advises all secondary schools, FE colleges and Universities that face coverings **should be worn** in communal areas and on corridors. It will not be necessary to wear face coverings in the classroom. Face coverings do not need to be worn in primary school settings.*

*Face Coverings should be provided by parents/carers, pupils, students and staff themselves.*
