Remote Learning Strategy

Remote Learning

We are confident that the Covid secure measures put in place have ensured that all students and staff have had a safe and comfortable return to school in September.

However, if we find ourselves in a situation where one or more cohorts are forced to return to remote learning, we have contingency plans in place. In this circumstance we will liaise with and take advice from Public Health England to ensure that we are compliant.

We will communicate with parents through MyEd (Text Message Service) and the School Website if this occurs.

If a small number of students are isolating:

- Work will be set by the **Subject Leader or a nominated teacher** and placed in **Year Group Subject Isolation Work** folders. Work will follow the curriculum that is being delivered in school
- Student should log into Office 365 and access Subject Isolation Work via **Teams → Year Group → Subject Areas → Isolation Work**. Students have been shown how to access this in form time (For help guide click [here](#)). They will need to use their school login
- Work set will take a variety of forms such as PowerPoints (voiced or standalone), worksheets, videos and accompanying tasks, research based work or through a learning platform that students are familiar with using e.g. Dr Frost in Mathematics

If a small number of students are isolating:

Teachers will...

- Contribute to setting of work in their department
- Offer feedback to students where appropriate
- Keep a record of student engagement with work and arrange contact via Subject and Year Group Leaders with students who are not engaging
- Form tutors will contact students once per fortnight, by telephone where possible, to ensure students have what they need, understand the work set, and are working well at home

Students will...

- Follow their usual timetable as far as possible
- Check their Office 365 school email every school day and go to **Teams → Year Group → Subject Areas → Isolation Work** to access subject work
- Email subject teachers if they cannot find or access work
- Read, follow and implement any feedback offered by teachers
- Engage with their fortnightly phone call from the form tutor

If a whole year group (or groups) are told to isolate:

- Work will be set by individual **Class Teachers** and placed in **Class Teams Areas**. Work will be set in line with the curriculum and may be a live lesson or tasks set.
- Students should log into Office 365 and access work or live lesson from their **Teams** → **Subject Class**. Students have been shown how to access this in form time. They will need to use their school login
- Work set will take a variety of forms such as PowerPoints (voiced or standalone), worksheets, videos and accompanying tasks, research based work or through a learning platform that students are familiar with using e.g. Dr Frost in Mathematics
- Reminders will be placed on Show My Homework for Y7-11 and Live lessons will be added to Student Calendars on Office 365. Sixth Form should go directly to Teams

If a whole year group (or groups) are told to isolate:

Teachers will...

- Contribute to setting of work in their department
- Be available during the student's timetabled lesson to offer some form of live session e.g. answering questions, delivering a Teams lesson (*Please note that if a teacher is ill themselves, this level of interactivity will not be possible*)
- Offer feedback to students where appropriate
- Keep a record of student engagement with work and arrange contact via Subject and Year Group Leaders with students who are not engaging
- Form tutors will contact students once per fortnight, by telephone where possible, to ensure students are working well at home

Students will...

- Follow their usual timetable as far as possible
- Check their Office 365 school email every school day and go to **Teams** → **Subject Class** to access subject work
- Email Subject Teachers if they cannot find or access work
- Read, follow and implement any feedback offered by teachers
- Engage with any live sessions offered by teachers
- Engage with their fortnightly phone call from the form tutor
- Watch the fortnightly assembly via Year Group Teams Area on Teams

Accessing work

- Where students do not have access to ICT, please contact us via the Year Leader or call 0114 2724851 and we can arrange for work to be printed and posted home.
- Y13 Ms Halladay N.Halladay@allsaints.sheffield.sch.uk
- Y12 Mr Cassidy C.Cassidy@allsaints.sheffield.sch.uk
- Y11 Mr Cutting B.Cutting@allsaints.sheffield.sch.uk
- Y10 Mr Needham S.Needham@allsaints.sheffield.sch.uk
- Y9 Ms Moody V.Moody@allsaints.sheffield.sch.uk
- Y8 Ms Crooks H.Crooks@allsaints.sheffield.sch.uk
- Y7 Ms Percival R.Percival@allsaints.sheffield.sch.uk
