

Sixth Form Bulletin

Week Beginning 7 December

Dear Students

Congratulations, we have all made it through term one. We have a short week in school this week and then three days home learning to look forward to before we can truly begin to enjoy some time with family. Please use this week to make sure you are ready for the next couple of weeks. Be very nice to staff this week please, we are all tired and many staff like you have had a difficult term.

A very short bulletin this week to give you and Tutors a chance to catch up, prepare for revision and enjoy spending some time together. Please look over the reminders and messages and ask Tutors if you need any help or advice about the next couple of weeks.

I would like to say how thankful I am for the welcome I have received since September; from students, staff and tutors but especially the 6th Form Team of Miss Halladay, Mr Cassidy and Mrs Voyse.

I wish you all a safe and happy holiday and I look forward to seeing you all back in 2021

Mrs M Broadhurst, Director of Post 16

- **Please make time to thank the site team this week.** They have really been amazing cleaning, putting chairs in order and delivering food for us all. A word of thanks would be much appreciated.
