## **Teacher of Science** **main pay range/upper pay range**

**Required from 1 September 2022**

All Saints is a highly successful, oversubscribed, 11-18 Catholic Voluntary Academy with 1438 students on roll, including 417 in the sixth form. The last OFSTED inspection in April 2018 judged the school to be Good. The school is co-located with an Outstanding maintained special school.

The Governors wish to appoint an enthusiastic and well-qualified person to teach within the Science Department. At Key Stage 3 groups study General Science. At Key Stage 4 students study Combined Science or Triple Science. At Post 16 all three sciences are popular choices, with multiple groups in each discipline. We also offer Applied Science at Level 3. This post is for a person with a Physics specialism, who will also contribute to the Applied Science programme.

The Science Department is the largest department in the school and can provide both newly qualified and experienced teachers with an exciting opportunity to contribute and to develop.

We are committed to fairness and social justice and welcome applications from everyone. We value our diverse workforce and aim to work together to make the most of our differences. Under the Disability Confident Scheme, disabled applicants, who meet the essential criteria of this job, are guaranteed an interview.

All Saints is committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and to undergo appropriate checks, including enhanced DBS checks.

A Catholic Education Service application form and further details are available on the school website. Please only use CES form for your application, which should be returned to Jo Thorpe, PA to the Headteacher, [j.thorpe@allsaints.sheffield.sch.uk](mailto:j.thorpe@allsaints.sheffield.sch.uk) or by post to the school address.

**Closing Date : Friday 11 February 2022**
