Feedback, Retrieval & Assessment	Super curriculum opportunities / extra-curricular activities	Cultural Capital, SMSC, Careers and Futures
<ul style="list-style-type: none"> • Students will be assessed verbally through retrieval tasks, peer discussions and to the class • Some units will involve presentation and debate work which enables students to process and develop their knowledge and understanding of the material 	<ul style="list-style-type: none"> • Students are offered opportunities for extra study through podcasts, guest speakers and faith in action projects • The department works closely with the Chaplaincy team and supports opportunities that allow the students to put their faith into action 	<ul style="list-style-type: none"> • Religious Education benefits our students through enriching their knowledge of the world, their community, our school community and their own spirituality. • Core RE allows students to explore ideas in the USCA statements that may otherwise not get explored in their chosen subjects

Common misconceptions	Connecting New Knowledge	Challenge for all
<ul style="list-style-type: none"> • Will I be disadvantaged if I am not Catholic? No, our intake is very diverse and we ensure this is fully recognised in the way we teach the content. • Is Core RE just for those with a faith? No, RE is for everyone! Learning about what people believe and how it influences their decisions in life is important for all citizens of the world. • Is Core RE just about religion? No, the course covers Religion, Philosophy and Ethics with plenty of input from religious and secular thinkers and sources 	<ul style="list-style-type: none"> • RE connects with many other subjects on the curriculum, such as English, History, Business Studies, Psychology and Sociology 	<ul style="list-style-type: none"> • Core RE will allow students to challenge each other's thinking, beliefs and ideas about the world in a supportive and collegiate setting • It is suitable for a variety of abilities
