

ANIMAL (noun)
An **animal** is a living creature such as a dog, lion, or rabbit, rather than a bird, fish, insect, or human being.

ANIMALS

Writing techniques features:	Definition	Example
Simile	Comparison where something is like something else:	The water gushed down like a raging torrent.
Metaphor	A comparison where one thing is said to be another which isn't literally true, creates a powerful image.	It was raining cats and dogs!
Personification	Giving something inhuman, human qualities;	The wildfire ran through the forest at an amazing speed.
Symbolism	Often objects, colours, sounds and places work as symbols. They can sometimes give us a good insight into the themes.	Snakes are often symbols of temptation as in the story of Adam and Eve, white usually symbolises innocence and a ringing bell can be a symbol for impending doom.
Connotation/s:	An association attached to a word/s or phrase/s in addition to its dictionary definition	Red = love, passion Red = anger, danger
Hyperbole	Exaggerating something , which is not meant to be taken literally	We gorged on the banquet of beans on toast.
