

# All Saints Catholic High School

## Behaviour and Relationships Policy

### Mission Statement

We are a Catholic community whose mission is to fully prepare our students for the wider world and to send them into it equipped for life and for the service of others. We come together from diverse backgrounds, united by Christ, by the highest aspirations and by a thirst for excellence to instil in our students a respect for themselves, for others and for their environment. We take our inspiration from Jesus' commandment to "love one another".

*Love God and our neighbour as we love ourselves Luke 10:27*

### Values Statement

All Saints is a welcoming faith community living by the values of:

- **Respect** for ourselves, others, and our environment.
- **Understanding**, accepting, and celebrating the uniqueness and diversity of our All Saints' family.
- **Affection** for all members of our school and wider community in every situation.
- **Humour** in our interactions with each other, showing loving kindness to all.

### Vision Statement

Our school community demonstrates excellence through:

- Every member of the All-Saints' community valuing, respecting, including and loving one another. Together, we engage positively with each other and our wider community, including our hardest to reach.
- Recruiting, developing and retaining a quality, highly skilled and diverse workforce who value learning, are committed to continuous self-development and create a safe and secure school environment.
- A challenging, engaging and wholly inclusive curriculum that fosters high aspirations and inspires joy. Student achievement significantly exceeds national averages.

Senior Leadership Team Review: July 2026

# 1. Rationale

The All Saints approach to managing positive relationships is based on the Salesian principle of “loving kindness,” summarised in our school values of RUAH. All students deserve the right to learn without anyone preventing them from doing so. Students at All Saints should be respectful, responsible, conscientious, and aspirational citizens.

*“Do not try to excuse your faults, try to correct them” St John Bosco*

## The All Saints Way

We rejoice and take **pride** in being members of the All Saints’ family. Every one of us has **aspiration** for **excellence** and recognises our individual and collective **responsibility** in showing **respect** for ourselves, others and our environment. This is the All Saints Way.

Staff and students will be clear and consistent in their expectations around:

- **Pride** in yourself: students take pride in their uniform and equipment.
- **Responsibility** for your learning: students take responsibility for their punctuality to school and presentation in lessons.
- **Respect** for self, others, and the environment: students show respect in interactions with staff and students, through their respect for our school and wider environment and are ambassadors of All Saints within the wider community.

## 2. Aims

This behaviour and relationships policy aims to:

- foster a positive culture where students can learn in a joyful learning environment and staff can teach effectively in a calm and supportive climate.

- promote a whole-school approach to high standards of behaviour rooted in our Catholic values and aligned to the principles of Catholic Social Teaching.
- clearly outline behavioural expectations and consequences to encourage commitment and consistency.
- apply a consistent, fair approach to behaviour management for all students.

## **5. Responding to behaviour**

### **5.1 All Saints approach to behaviour and relationships**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school. Staff will implement this policy through a relational approach by following the I will statements below.

1. I will treat all students with kindness and respect, speaking to them in a way that reflects the values of RUAH, ensuring they feel safe and valued.
2. I will apply the behaviour and relationships policy fairly and consistently, ensuring that all students understand the expectations and consequences.
3. I will clearly explain expectations for behaviour, demonstrating RUAH values, and give every student a fresh start each lesson.
4. I will encourage students to follow the All Saints Way, providing opportunities for self-management and learning from mistakes.
5. I will ensure students understand the reasons behind any consequences, supporting them in making positive behaviour choices.

Students are expected to follow our principles of RUAH and the All Saints Way as set out in the I will statements below.

1. I will arrive to school on time, in the correct uniform, and be fully equipped for learning.
2. I will be punctual to all lessons, moving calmly and quietly around the school site.
3. I will engage in my learning, not disrupt others and follow staff instructions first time.
4. I will demonstrate the values of RUAH by treating everyone with kindness and respect, helping others feel safe and valued.
5. I will represent All Saints positively, both inside and outside of school, and accept sanctions when given.

### **Approach to behaviour and relationships at Post 16**

Sixth Form students are expected to model the highest standards of behaviour, conduct and respect, both within the school community and beyond. While the lower school caution system does not apply in the Sixth Form, all behavioural concerns are logged by teachers and monitored. Heads of Year will review issues and escalate interventions as necessary in line with the seriousness or persistence of the behaviour.

### **5.2 Recognising the impact of SEND on behaviour**

As a school, we acknowledge that a student's behaviour may be influenced by an additional educational need or disability (SEND). As such, incidents of misbehaviour will be considered in relation to a student's SEND on an individual basis, recognising that not all misbehaviour is linked to SEND.

When dealing with such incidents, especially where SEND affects behaviour, the school will fulfil its legal duties, including:

- Taking reasonable steps to avoid substantial disadvantage to disabled students ([Equality Act 2010](#))
- Using best endeavours to meet the needs of students with SEND ([Children and Families Act 2014](#))
- Securing the provision in a student's EHC plan and co-operating with the local authority and other agencies

We will, where possible, anticipate likely behavioural triggers and implement appropriate support, tailored to each student's individual needs and circumstances. Reasonable adjustments may be made to sanctions in line with the student's SEND.

Our Special Educational Needs Co-ordinator (SENCO) may evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice may also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

### 5.3 Rewarding good behaviour

We rejoice and take **pride** in being members of the All Saints' family. Every one of us has **aspiration** for **excellence** and recognises our individual and collective **responsibility** in showing **respect** for ourselves, others and our environment. This is the All Saints Way.

When a student's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce our relational approach and principles of RUAH.

House points are awarded for positive contributions to our school community such as attending extra-curricular clubs, volunteering, representing the school, and participation in House competitions. The House shield is awarded to the winning House at the end of academic year.

### **5.4 Classroom management**

Staff will develop positive relationships with students by:

- Creating a predictable environment by consistently applying the behaviour and relationships policy in a fair and proportionate manner
- Creating an engaging environment using adaptive teaching strategies and praise
- Greeting students at the start of lessons and establishing clear routines, including seating plans
- Communicating high behaviour expectations non-verbally and promoting good behaviour
- Using de-escalation techniques, including the use of scripts
- Concluding lessons positively and starting each lesson afresh

### **5.5 Safeguarding**

We acknowledge that changes in behaviour may indicate a student needs help or protection. If misbehaviour suggests a student may be at risk of significant harm, we will follow our child protection and safeguarding policy and consider appropriate actions, including pastoral support, early help intervention, or a referral to children's social care. For further details, please refer to our child protection and safeguarding policy.

### **5.6 Responding to misbehaviour in the classroom**

When a student's behaviour fails to meet our expectations, staff will act to restore a calm, safe learning environment and prevent repeat incidents. This may include the use of sanctions linked to the 'I will' behaviour statements.

Our use of sanctions is underpinned by our view that all students make conscious choices regarding their behaviour. When wrong choices are made, we feel it is fair and reasonable that students are given chances to rectify their behaviour before a sanction is imposed.

However, when negative behaviour continues, our students understand that such behaviour has consequences. We refer to this as our choice, chance, consequence approach. All sanctions will be recorded on Class Charts.

#### **C1 – C2 cautions**

Any student exhibiting behaviours which are not in line with the 'I will' statements will be given up to 2 cautions (C1 and C2) in a lesson which will be displayed on the whiteboard. The staff member will clearly explain to students the reason for the caution. There are no sanctions or consequences to these 2 cautions (these are seen as chances).

#### **C3 sanctions**

If a student repeats misbehaviour for a third time, they will receive a 20 minute C3 detention. If a student argues with a member of staff when issued with a caution, this will escalate the sanction.

#### **C4 removal from lessons**

A student who, after being issued a C3, continues to misbehave will be given a C4 and asked to go to Damascus. The student is expected to arrive at Damascus within 5 minutes of leaving the classroom and complete the remainder of the lesson in Damascus. At the end of the lesson, the student returns to their normal timetable.

If a student refuses to leave the classroom when issued with a C4, a 60 minute Friday after school detention will be issued.

#### **Outside of classroom sanctions**

In addition to classroom-based sanctions, other C3 and C4 sanctions may be issued.

#### **C3 Detentions – 20 minute lunchtime detention issued**

<b>Behaviour</b>	<b>Explanation</b>
C3 Classroom	C1-3 issued in classroom
C3 Punctuality	Late to lesson when clock turns to 8.30, 9.35, 10.35 or 10.50, 11.15, 13.00, 14.05 and 15.10
C3 Uniform	Failure to wear full and correct uniform
C3 Equipment	Failure to have full equipment for learning during form tutor check
C3 Homework	Failure to attend subject homework detention (KS3) or complete homework (KS4)
C3 Out of bounds	Student above the ground floor before school, break or lunch (except extra-curricular), beyond the social time field perimeter
C3 Eating/drinking	Eating anywhere other than the dining room or picnic benches Drinking in a specialist room e.g. science lab, computer room, library and DT/music workshops
C3 Loitering	Not moving to lesson after announcement or request by staff
C3 Anti-social behaviour	E.g. running, shouting, swearing, screaming, throwing

<b>Behaviour</b>	<b>Explanation</b>
C4 Classroom	C1-4 issued in classroom
C4 Refusal to comply	Student ignores staff or refused to follow a reasonable request
C4 Phone Visible	Phone not in bag or inside blazer pocket – 2 instances in a half term, Year Leader will confiscate phone during school hours for 5 days. This also applies to visible headphones/ear pods.

C4 Dangerous behaviour	E.g. play fighting, climbing
C4 Truancy	Student not in timetabled lesson or intervention without reason
C4 Toilet	Only one student should be in a toilet cubicle at one time

#### **Lunchtime detentions**

Students receiving a detention will be informed by staff, and parents/carers will be notified via Class Charts. Detentions will be served at lunchtime on the following day. Students will complete their 20 or 40 minute detention before joining the final lunch sitting.

If absent, students will serve their detention on their next day in school. It is the student's responsibility to check Class Charts for any detentions. Students receiving multiple C3/C4 detentions in one day will serve them on consecutive days.

### **After school detentions**

Continued failure to attend lunchtime detentions will result in a 60 minute Friday after school detention. Persistent non-attendance of detentions will lead to a meeting with parents/carers. Continued failure to attend will result in exploring options in the All Saints behaviour support and intervention plan.

### **Appeals process**

If a student believes a detention was issued unfairly, they may appeal to their Year Leader via email within 24 hours. The detention will be put on hold until the appeal is considered. If upheld, the detention will be cancelled. The Year Leader's decision is final, with no further appeals allowed. Students lose the right to appeal if they argue against the sanction during the process. Students are granted two appeals per half term.

## **5.7 Punctuality and uniform expectations**

### **Punctuality to school**

Students should arrive by 8:15am ready to move to lessons at 8.25am for Period 1 to begin at 8:30am. On arrival, students should enter the building immediately. The welcome duty team will greet students and check uniform; delays due to uniform issues may affect punctuality.

Students arriving at 8:30am or later must report to the Attendance Team in the foyer to sign in and receive either a non-culpable slip (if pre-approved), or a P1 punctuality slip (resulting in a 20- or 40-minute detention) to show their teacher. Any student arriving late to Period 1 without a slip should be sent to the Attendance Team to sign in.

The full punctuality to school process can be found in our attendance policy.

### **Punctuality to lessons**

Students must arrive promptly to lessons, including after social time. Up to 5 minutes is allowed to move between lessons. Students must not loiter or socialise in corridors during transitions. Late arrivals will result in a C3 detention.

### **Uniform and equipment**

At All Saints we are proud of our school uniform, and it is an integral aspect of the All Saints Way. It promotes a sense of community and belonging, it is practical and smart, and it ensures that all students feel equal to their peers in terms of appearance.

Any student not wearing full and correct uniform will be issued with a C3 detention.

Students should be equipped as a minimum with the following items to be able to successfully access their lessons:

- School bag
- Blue or black pen
- Pencil
- Ruler
- Red pen
- Scientific calculator
- PE kit

For our full uniform and equipment policy, please refer to our uniform policy.

## **5.8 Responding to serious misbehaviour**

### **On Call**

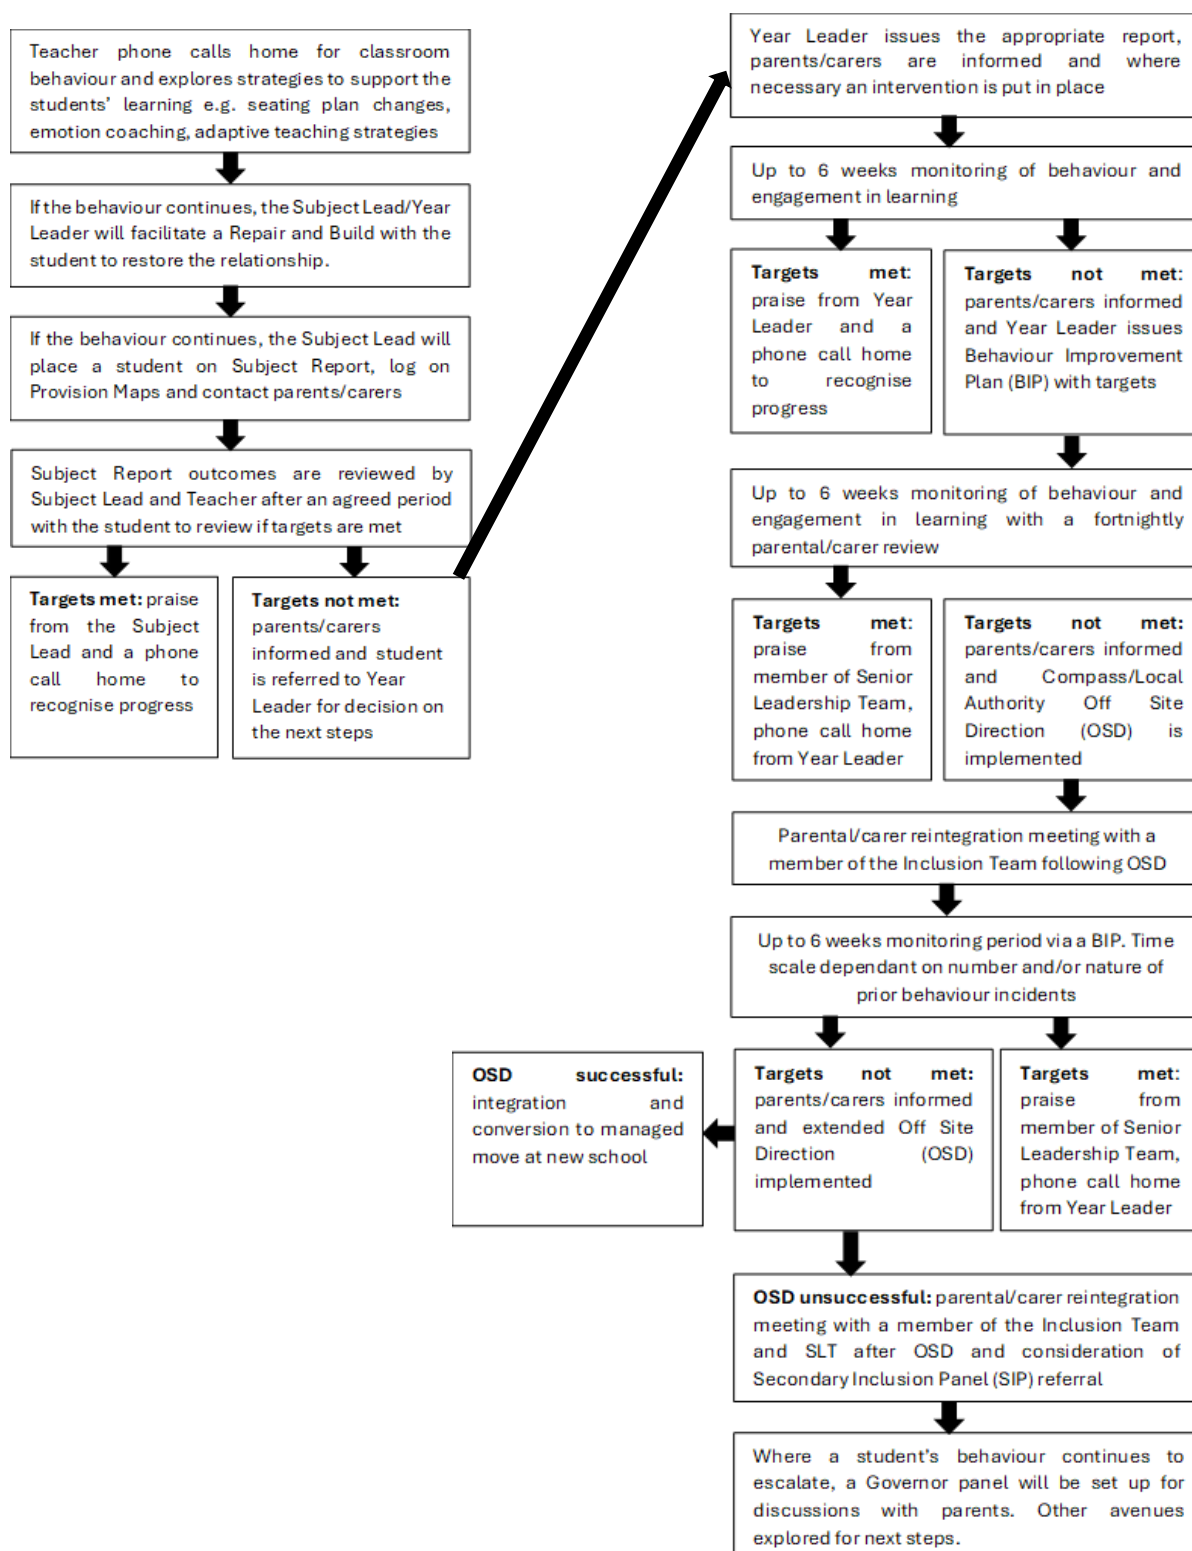

Some behaviours may be deemed beyond C1–C4 behaviour sanctions. In such cases, staff will request support from the on call team. During lessons, the on call team will remove the student from the lesson and issue a sanction as required. For incidents outside lessons, on call staff will investigate and decide on the appropriate action.

## Internal Exclusion (IEA)

Serious misbehaviour will result in students being placed in Internal Exclusion (IEA). Parents/carers will be informed the same day via Class Charts. Students in IEA must follow their usual curriculum and meet the same expectations as outlined in the 'I will' behaviour statements. Persistent failure to meet these expectations may lead to a discussion with the Headteacher regarding suspension.

## All Saints behaviour support and intervention plan

The behaviour support and intervention plan is a partnership between staff, students, and parents/carers, aimed at promoting positive behaviour, guided by the All Saints Way and values of RUAH to address any patterns of negative behaviour. It is rooted in our ethos of high expectations and aspiration for excellence, ensuring every student receives the best from their time at All Saints.

## **Interventions**

Following a sanction, the school will consider strategies to help the student to understand how to improve their behaviour and meet the expectations of the school. If a pattern of misbehaviour emerges, the Inclusion Team will identify suitable interventions to support the student in meeting the 'I will' behaviour expectations.

## **Suspensions and permanent exclusions**

The school is able to use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions. The decision to suspend or exclude will be made by the headteacher and only as a last resort. Please refer to our suspensions and exclusions policy for more information.

## **Reasonable Force**

All school staff have the legal authority to use reasonable force. Staff should where possible avoid physical intervention, using non-contact de-escalation strategies first. However, in some situations, reasonable force may be necessary to protect the child or others, and there may not be time to use alternatives. The decision to use reasonable force or physical restraint rests on the professional judgement of the staff involved and must be based on the specific circumstances. Where reasonable force has been used, this will be recorded on CPOMS, and parents/carers will be informed.

Use of reasonable force is conducted in line with the DfE's latest guidance on [use of reasonable force and other restrictive interventions in schools \(February 2025\)](#)

## **Behaviour of students in the community**

Students are ambassadors of All Saints, and our school uniform is our public identity that influences how the wider community perceives us. Sanctions may be applied where a student has misbehaved off-site when representing the school.

This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a student of our school

Students are actively reminded of this in school and personal responsibility for actions is required at all times. Any form of misbehaviour that works against the ethos of the school and/or damages the reputation of the school will not be accepted and will result in a sanction.

## **Online misbehaviour**

We will issue behaviour sanctions to students for online misbehaviour when:

- It poses a threat or causes harm to another student
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The student is identifiable as a member of the school

## **Searching and confiscation**

Searching and confiscation is conducted in line with the DfE's latest guidance on [searching, screening and confiscation \(July 2022\)](#)

## **Confiscation**

Prohibited items (as listed in Section 4 of this policy) found during a search will be confiscated and not returned. Items deemed harmful or disruptive to school discipline may also be confiscated. These may be returned after discussion with the Inclusion Team and parents/carers, if appropriate. If not, parents/carers will be informed, and the item will be responsibly disposed of. If possession of a prohibited item may constitute a criminal offence, the Safeguarding Team will refer the matter to the police.

## Searching

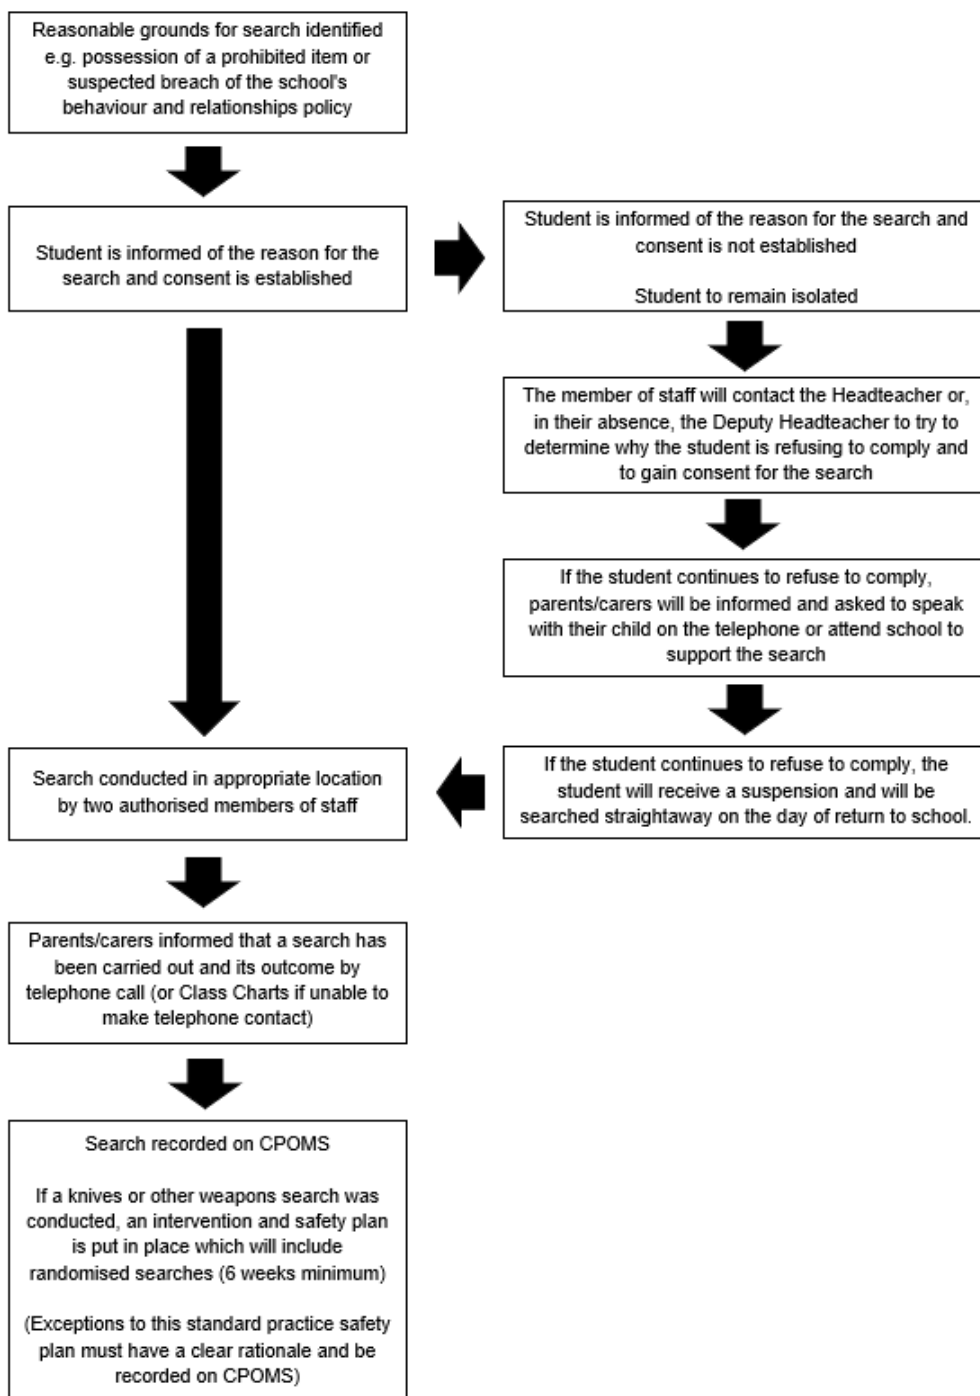

The Headteacher and staff they authorise have a statutory power to search a student or their possessions where they have reasonable grounds to suspect that the student may have a prohibited item.

The staff authorised by the headteacher are:

- Members of the Senior Leadership team
- Members of the Safeguarding team
- Members of the Inclusion team

Where a search takes place, it will be conducted with the student's consent. Where a student refuses to a search the student will be isolated and parents/carers will be informed and asked to speak with their child on the telephone or attend school to support the search. Once a search has been conducted the parent/carer will be informed and the search recorded on CPOMS. If a knives or weapons search is conducted, an intervention and safety plan will be put in place which will include randomised searches.

## Searching and confiscation process

### **Suspected criminal behaviour**

If a student is suspected of criminal behaviour, we will assess whether to report the incident to the police and will preserve any relevant evidence. If reported, the Headteacher or a member of the Safeguarding Team will contact the police. We will not interfere with police action but may carry out our own investigation and apply sanctions, provided this does not conflict with police proceedings. Where appropriate, the Designated Safeguarding Lead (DSL) will also report the matter to the Safeguarding Hub.

### **5.8 Bullying**

Bullying is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period
- Difficult to defend against

Our full approach to bullying is outlined in our anti-bullying policy.

### **5.9 Discriminatory and prejudiced behaviour**

#### **Discriminatory or prejudiced comments**

Incidents involving discrimination or prejudice against protected characteristics are addressed on a case-by-case basis. Our primary approach is educational, interventionist, aimed at addressing the behaviour.

In classroom settings, any discriminatory comment will be addressed immediately by the teacher as a learning opportunity, if appropriate. The incident is logged on Class Charts, and repeated behaviour is referred to the Year Leader/Assistant, who will follow up with the student individually. For incidents outside the classroom, the same process applies, with an on call staff member leading the investigation.

Repeated incidents may lead to:

- One-to-one or group intervention
- Suspension
- Parental/carer meeting
- Permanent exclusion

#### **Sexual harassment, sexual violence and assault**

Sexual harassment and violence, whether inside or outside school, are treated with utmost seriousness. Students are encouraged to report any such incidents and will be supported. Where students wish to report confidentially, they can use our Whisper reporting tool which enables students to report with anonymity. The school's response will be proportionate, considered and supportive.

Sanctions will be decided on a case by case basis and may include suspension or permanent exclusion. All Saints is committed to challenging and educating those responsible to prevent a reoccurrence.

Please refer to our child protection and safeguarding policy for more information.

### **5.10 Malicious allegations**

If a student makes a deliberately false or malicious allegation against a member of staff or another student (e.g., of sexual violence or harassment), we will consider disciplinary action in line with this policy.

If an allegation is found to be unsubstantiated, unfounded, false, or malicious, we, alongside the local authority designated officer (LADO), where relevant, will assess whether the student needs support, as the allegation may be a cry for help. A referral to the Safeguarding Hub may be made if appropriate.

We will also consider the pastoral needs of any staff or students involved. For further details, see our child protection and safeguarding policy.

## **6. Legislation, statutory requirements and statutory guidance**

Consistency and fairness are ever present themes in dealing with matters of behaviour subject to reasonable adjustments for those with additional needs as set out in the Equality Act 2010. There is a healthy balance between reward/praise and challenge/sanction but, as far as we are able, we should always seek to be positive.

This policy is based on legislation and advice from the Department for Education (DfE) on:

[Behaviour in schools: advice for headteachers and school staff 2024](#)

[Searching, screening and confiscation: advice for schools 2022](#)

[The Equality Act 2010](#)

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusions and suspensions
- Use of off-site directions
- Incidents of searching and confiscation
- Student, staff and parent voice

The data will be analysed regularly by the Inclusion Team to identify patterns with key groups and individuals.

### **Monitoring this policy**

The Local Academy Committee will review this policy annually following review by the Senior Leadership Team based on a process of whole school review drawing on data gathered from monitoring behaviour data and student, staff and parent/carers voice.
