All Saints is a highly successful, oversubscribed, 11-18 Catholic Voluntary Academy within the St Clare CMAT. At the last OFSTED inspection in October 2023 the school remained Good. As a wholly inclusive school community we share a clear and ambitious vision for high quality education for all. Teachers at all career stages are supported to access innovative and research led CPD and there is a culture of continuous development.

We wish to appoint an enthusiastic and well-qualified person to teach at three key stages within the Science Department. At Key Stage 3 groups study General Science; at Key Stage 4 students study Combined Science or Triple Science. The candidate would preferably be able to teach Chemistry at Key Stage 5.

The Science Department is the largest department in the school and can provide both newly qualified and experienced teachers with an exciting opportunity to contribute and to develop.
