

POST RESULTS SERVICES GUIDANCE

As required by the Joint Council of Qualifications JCQ we must share with you information and advice about the post results services available and the arrangements for this. Please read this document carefully.

What you receive on Results day

On results day you will receive a statement of results. This is not your final certificate.

The statement of results is the list of all the exams you have taken and the grade awarded. When the results are released, you will be able to check the marks against the grade boundaries, which will be available on the exam board websites, and you will find the link for these on the school's website on results day from 8am.

These are the links:

The exam boards advise that the results issued on Results day are provisional and may be subject to change depending on any post results services conducted.

If you have any queries regarding your results, please email results@allsaints.sheffield.sch.uk

Post results services

We hope that you are happy with your results. However, if you feel your results are not as expected, there are options available for you.

- **Review of results (RoRs)** Clerical re-check and /or review of marking
- **Access to scripts (ATS)** access to marked examinations scripts. Important Scripts are the property of the examination board and must not be share under any circumstances. Sharing may be considered as malpractice.

There will be a ATS form for you to sign in as you collect your results, this will give consent to the departments to access your script to aid teaching and learning. Your name and candidate number will be removed.

Service	Type	What happens
1	Clerical check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks
2	Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking. This service will include: - the clerical re-checks detailed in Service 1 - a review of marking as described above.
3	ATS: Copy of script to support review of marking	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.

If you wish to access any post results services or if you have any queries regarding your results once you have collected them, you will need to email results@allsaints.sheffield.sch.uk

There are three possible outcomes to a clerical check or review of marking

- Your original mark is confirmed as correct, so there is no change to your grade
- Your original mark is raised so your final grade may be higher than the original grade you received.
- Your original mark is lowered, so your final grade may be lower than the original grade you received. It is important to note that if your grade goes down you cannot reject the review of marking and revert it back to the original grade.

When requesting a review of marking for your scripts, it is usually best to ask for all the scripts from the same examination period to be reviewed at the same time. It is not always clear which paper may have been marked more harshly or where your mark is most likely to increase, so having all scripts reviewed gives you the best chance of identifying any marking discrepancies. If the grade changes in any one of the scripts, you will be refunded the review fee for all the scripts. However, if you submit review requests staggered, you will only receive a refund for the individual scripts which grade changes.

Appeals

If you are subsequently unhappy with the outcome of a review of marking, there is an Appeals process to follow. Further information is available as required.

Any queries or if you wish to access any post results service, after results day, please email results@allsaints.sheffield.sch.uk as soon as possible after received your results and we will advise on the viability of such request. Please be mindful of the deadline detailed for each service.
